

VERSASTYLE™

NEUTRAFRESH SHOWER GEL

Refreshing and gentle shower gel with a soft, emollient cleansing foam.

Formulated with **AMP-ULTRA™ PC 2000** amino alcohol (5% water) for high-efficiency neutralization of anionic acrylate thickener, creating outstanding clarity and formulation stability.

ANGUS
CHEMICAL COMPANY

Phase	Trade Name	INCI Name	Supplier	%	
A	1	-	Aqua (Water)	-	68.73
	2	ACULYN™ 22	Acrylates/Steareth-20 Methacrylate Copolymer	Dow Personal Care	5.0
	3	EMAL® 270D	Sodium Laureth Sulfate	Kao Chemicals Europe	14.0
